Sonic toothbrush ENCHEN Aurora T+ (pink)

Sonic toothbrush ENCHEN Aurora T+ (pink)

Ref: 6974728535080

The ENCHEN brand is part of the Xiaomi ecosystem.

ENCHEN Aurora T+ sonic toothbrush

Now you can take even better care of your oral hygiene. The ENCHEN Aurora T+ sonic toothbrush is distinguished by a vibration frequency of up to 40,000 vibrations per minute and is equipped with high-quality DuPont bristles. Its reliable performance is confirmed by FDA certification. There are up to 3 modes and 3 intensity levels to choose from, so you can optimally adjust the device to your needs. The toothbrush is also distinguished by its long working time and IPX7 water resistance.

Reliable performance

The Aurora T+ will also easily clean those areas of the mouth that a regular toothbrush can't reach. The device is equipped with a powerful motor that allows it to work at a frequency of up to 40,000 vibrations per minute. This means that it can easily handle even extremely stubborn dirt. Plaque, food residue - nothing can hide from it! ENCHEN will allow you to enjoy a beautiful, healthy smile.

Specially designed tips

The tips designed for the toothbrush are distinguished by rounded DuPont bristles, which allow you to clean your teeth thoroughly, yet safely. Don't be afraid of damaging your enamel! Aurora T+ will quickly and effectively deal with dirt. It will easily remove dirt even from hard-to-reach areas of the mouth, such as the spaces between teeth and around the gums. You'll also find a spare tip in the kit.

3 modes - 3 levels of intensity

Aurora T+ sonic toothbrush will satisfy even the most diverse needs of users. It allows you to choose from 3 modes of operation. Cleaning will be perfect for everyday use. Sensitive will be suitable for people who have sensitive teeth or have never used a sonic toothbrush before. Healthcare will help you get rid of stubborn dirt. You can also choose from 3 levels of vibration intensity. This brings the total up to 9 combinations!

Smart timer

The optimal time for brushing your teeth is 2 minutes. However, you don't have to remember it or look at your watch every now and then! Aurora T+ will take care of it for you. The toothbrush is equipped with a smart timer that will remind you every 30 seconds with a short pause to change the cleaned area. After 2 minutes, the device will automatically stop working. With ENCHEN, you are assured of brushing your teeth for exactly the right length of time!

Up to 2 weeks of use on a single charge

Don't worry about having to charge your toothbrush frequently. The Aurora T+ has a built-in heavy-duty 500 mAh battery. Thanks to this, a fully charged one can serve you for up to 14 days, assuming you use it twice a day. Charging the toothbrush will only take about 2 hours. The included USB-C cable allows you to connect it to a charger or powerbank, for example.

IPX7 water resistance

Use the toothbrush in the bath or shower without worry. The device is IPX7 waterproof. Even if it slips out of your hand and falls into the water for a while, nothing will happen to it! You can also clean it without any problems. Remember about it, so you can extend its life, keep it in excellent condition and reduce the risk of multiplying bacteria. Simply wash your toothbrush under running water after each use!
