Installation Hammer Deli Tools EDL5340, Rubber-Plastic, 40mm

Deli Tools Assembly Hammer EDL5340

The Deli Tools EDL5340 assembly hammer is characterized by the use of a rubber-plastic double-edged hammer with a size of 40 mm. It offers a durable steel handle with a rubber coating, which is responsible for a secure grip and precision work. Opt for a combination of quality and comfort - no compromises!
