

Portable Laptop Monitor Mobile Pixels Trio Max Metallic Bla

Ref: 850001446082

Portable Laptop Monitor Mobile Pixels Trio Max Metallic Black 14.1"

Mobile Pixels Trio Max Metallic Black 14.1" Portable Monitor

Equip your laptop with an extra screen to make your daily use easier. The Mobile Pixels Trio Max Portable Monitor features a 14.1" Full HD display that delivers crisp, vivid colors. It offers wide system compatibility and a lightweight, foldable, durable design.

Powerful screen

The monitor is equipped with a 14.1" display, which is capable of displaying Full HD (1920 x 1080) image. In addition to this, it guarantees clear, vivid colors and supports eye protection mode and automatic screen rotation. Bet on quality that you can see clearly!

Wide compatibility

The monitor provides wide system compatibility. It works with Windows and macOS laptops, Nintendo Switch console and Android (Samsung DeX technology support required). What's more, thanks to Plug&Play, the device can start working practically as soon as it is plugged in.

Thoughtful design

The monitor's lightweight and compact design guarantees extreme ease of transport and storage. High-grade ABS and PC materials are responsible for high durability without achieving high weight. The included magnetic mounts provide a convenient way to mount it on a

laptop case.

More opportunities

Want to gain even more possibilities? You can mount the Trio Max monitors on both sides of your laptop screen, so you can display all the information you care about! Specially designed bracket guarantees stability and safety of the whole structure. Note: the presented setup requires the purchase of 2 devices.
