Ref: 6971952433014

Vipfan C11 car charger, USB + USB-C, PD 20W + QC 3.0, LED

If you care about fast and convenient charging, the C11 is sure to appeal to you. With USB and USB-C ports, you can charge 2 devices at the same time, saving you time. Solid workmanship translates into durability and safe use, and a special chip adjusts the voltage to the device being charged.

Fast charging

The Vipfan charger is equipped with 2 ports, so you can charge, for example, a smartphone and headphones at the same time. It is compatible with most smartphones that support fast charging protocols, including VOOC, QC3.0, PD 20W or AFC.

Safe to use

The product is made of fire-resistant ABS and PC plastics, so you can be sure that it is safe to use. What's more, it has a built-in chip that adjusts the voltage to each device and prevents the charger from overheating. In addition, the C11 is equipped with a blue LED backlight, which will make it easier to locate the port after dark.
