Wall charger Vipfan E03, 1x USB, 18W, QC 3.0 + USB-C cable (white)

Ref: 6971952432543

Vipfan E03 network charger (white) + USB-C cable

Want to charge your devices quickly and safely? The compact Vipfan E03 mains charger will help you with this, which has one USB port, charges with a maximum power of 18 watts and supports the QC3.0 fast charging protocol, so it only takes a moment to renew the energy of your essential devices. The kit includes a USB-C cable.

Efficient operation and thoughtful design

The Vipfan E03 network charger charges with a maximum power of 18 watts, which, combined with Qualcomm QC3.0 technology, translates into extremely fast renewal times. Thanks to the PCBA board, the product guarantees safe and stable charging, while the materials used (PC) are flame retardant and extremely durable.
