

Network charger Vipfan E03, 1x USB, 18W, QC 3.0 + Lightning

Ref: 6971952432536

Network charger Vipfan E03, 1x USB, 18W, QC 3.0 + Lightning cable (white)

Vipfan E03 network charger (white) + Lightning cable

Want to charge your devices quickly and safely? You'll be helped by the compact Vipfan E03 network charger, which features a single USB port, charges with a maximum power of 18 watts and supports the QC3.0 fast charging protocol, so you'll be able to renew the energy of your essential devices in no time. The kit includes a Lightning cable.

Efficient operation and thoughtful design

The Vipfan E03 network charger charges with a maximum power of 18 watts, which, combined with Qualcomm QC3.0 technology, translates into extremely fast renewal times. Thanks to the PCBA board, the product guarantees safe and stable charging, while the materials used (PC) are flame retardant and extremely durable.
