

Wired in-ear headphones Vipfan M09 (white)

Wired in-ear headphones Vipfan M09 (white)

Ref: 6971952430884

Vipfan M09 wired in-ear headphones (white)

Listen to your favorite tunes wherever you are! The Vipfan M09 features premium 12mm drivers that deliver crystal clear, natural sound. The built-in microphone makes it convenient to talk on the phone, and the integrated remote control makes it easy to operate the product. At the same time, the headphones are incredibly lightweight and comfortable, as well as durable.

Rediscover your favorite songs

Discover your favorite songs anew! The headphones feature 12mm drivers that offer natural sound and rich detail. Try out the Vipfan M09!

Thoughtful design

Use the M09 for as long as you need, without worrying about discomfort! The design of the headphones is made to fit perfectly in your ears and not cause pain or fall out of your ears.

Integrated remote control

Operating the headphones is extremely easy and convenient, thanks to the integrated remote control. With its help you can adjust the volume, change the song you are playing or answer a call. The most important functions at your fingertips!

Hassle-free phone calls

Now you can talk on the phone without any problems even in noisy environments. The Vipfan M09 headphones are equipped with a state-of-the-art microphone that accurately records your voice. Unnecessary sounds will no longer stand in your way! Are you shopping at the mall and someone calls you? Want to talk on the phone on a crowded bus? No problem! You can be sure that your caller will hear you perfectly.
