

Powerbank Vipfan F09 20000mAh, 22.5W, PD (black)

Ref: 6971952433267

Powerbank Vipfan F09 20000mAh, 22.5W, PD (black)

Powerbank Vipfan F09 20000mAh, 22.5W, PD (black)

The Vipfan F09 is a small, capacious powerbank that will allow you to charge your chosen devices in no time. It stands out for its Fast Charge technology support, performance and stylish design with built-in display.

Functionality first and foremost

The powerbank features a capacity of 20,000 mAh, so it will charge selected devices several times before you need to replenish its energy. It has a USB-C output interface that supports Fast Charge (22.5 / 20 W).

Compact design

The F09 is perfect for traveling. Its small, stylish design will even fit in your pocket so that you always have the ability to charge your smartphone. What's more, the F09 is equipped with a display that provides information about the battery's power percentage.
