

Wired in-ear headphones Vipfan M15, 3.5mm jack, 1m (black)

Ref: 6971952433625

Wired in-ear headphones Vipfan M15, 3.5mm jack, 1m (black)

Vipfan M15 wired in-ear headphones, 3.5mm jack, 1m

Enjoy high quality sound and comfort. Vipfan headphones feature 14.2mm drivers, which translates into richly detailed sound. Meanwhile, the thoughtful design is responsible for long-lasting comfort. In addition, a switch integrated into the cable allows you to answer incoming calls.

HD sound quality

The Vipfan headphones are equipped with 14.2mm drivers, so you can enjoy impressive sound, rich in detail and bass tones. Listen to your favorite albums and discover previously unheard details.

Ergonomic design

The headphones are designed to provide users with long-lasting comfort. The M15's ergonomic design ensures that the headphones won't fall out of your ears and offer comfort for long periods of time.

Conveniently answer calls

This is not the end of the advantages of Vipfan headphones. For even more convenience, the product has a switch integrated into the cable, which allows you to conveniently answer/reject incoming calls and pause and resume playback. Now you have access to the most

important functions at your fingertips.
