

## USB-C do Lightning Cable Vipfan P01, 3A, PD, 2m (white)

USB-C do Lightning Cable Vipfan P01, 3A, PD, 2m (white)

Ref: 6971952432925

### Vipfan P01 USB-C to Lightning cable

The Vipfan P01 cable supports PD fast charging and allows you to transfer files at speeds of up to 480Mbps. It provides a maximum current of 3A and is extremely durable. It is distinguished by its high resistance to bending and damage, and its length is 2m.

### Enjoy fast charging

No more waiting indefinitely for your devices to be charged. The product is equipped with a copper wire, so it can provide up to 3A of current. It also supports PD fast charging. This means that it only takes about 30 minutes to restore 50% power to your iPhone 11 Pro, for example!

### Impressive transmission speed

Do you often transfer photos or videos between devices? The P01 cable will help you do that too! The product guarantees transmission speeds of up to 480Mbps. Thanks to this, you can transfer 1GB of files in about 40 seconds! You no longer have to wait too long for all the necessary data to reach the destination.

### Solid construction

Get yourself a cable that will surprise you with its robustness. The P01 is equipped with connector covers made of durable ABS and PC

plastics, and its most vulnerable areas have received extra protection. What's more, the TPE sheath provides the product with extraordinary strength and resistance to bending, pulling and wear.
