

USB-C to Lightning cable Vipfan P04, 3A, PD, 2m (white)

Ref: 6971952432987

USB-C to Lightning cable Vipfan P04, 3A, PD, 2m (white)

Vipfan P04 USB-C to Lightning cable (white)

The USB-C to Lightning Vipfan P04 cable supports the PD20W fast charging protocol and features a robust design. Equipped with a Lightning connector, it charges at a maximum of 3A and provides fast power restoration for selected devices. Made of TPE plastic, it is highly resistant to bending, so it will serve you for years.

Fast charging

The Vipfan P04 supports the PD20W fast charging protocol and charges at a maximum of 3A. This allows you to renew your smartphone's power to 50% in just 30 minutes. The multi-level protection is also a plus, so you don't have to worry about the safety of your charged devices.

It will serve for years

The cable was made of pure copper, making it an excellent conductor. High-quality TPE plastic was used for the braid, which makes the cable extremely durable and resistant to repeated bending, stretching or mechanical damage.
