## Wireless inductive charger Vipfan W01, Magsafe 15W (black)

Wireless inductive charger Vipfan W01, Magsafe 15W (black)

Magsafe Vipfan W01 wireless inductive charger (black)

The handy Magsafe Vipfan W01 inductive charger allows you to quickly and safely renew the energy of compatible devices. It is made of high-quality flame-retardant materials and supports 15W fast wireless charging. Thanks to its practical stand, it allows you to comfortably watch movies while renewing energy.

## Fast charging and robust design

The Vipfan W01 will allow you to quickly and conveniently renew the energy of devices compatible with the inductive charging protocol. The product supports fast wireless charging of 15 watts, moreover, thanks to its high pulling power, it provides a stable position for the charged device. Another advantage is the use of flame-retardant materials - they guarantee the safety of use.

## Practical stand

The Magsafe Vipfan W01 inductive wireless charger provides not only fast and safe charging, but also high comfort of use. The product is equipped with a sturdy stand that allows you to place your phone at an optimal angle to watch movies or videos while charging.
