Vipfan X03 USB to Lightning cable, 3A, 1m (white)

The Vipfan X03 cable offers fast charging and data transmission. Its heavy-duty construction provides outstanding durability and resistance to wear and tear. Bet on real quality that will make your daily use of selected devices easier!

Thoughtful design

The cable is designed with performance and durability in mind. The X03LT model features a Lightning interface. Its special braided ABS and PC materials guarantee high durability, while additional connector protection contributes to bending resistance. The matte surface is pleasant to the touch, highlighting the visual qualities as well.

True performance

The cable has a 100% copper core, so it features high electrical conductivity. This makes you able to charge your chosen device and flip data in no time. The cable works with a maximum current of 3 A.
