

USB to USB-C cable Vipfan X04, 5A, 1.2m (white)

USB to USB-C cable Vipfan X04, 5A, 1.2m (white)

Ref: 6971952431164

USB to USB-C cable Vipfan X04

With the Vipfan X04 cable, you will not only quickly charge your devices, but also transfer the files you need in a short time. The product provides up to 5A and allows you to enjoy transmission speeds of 480Mbps. It is also very durable and resistant to damage. The length of the cable is 1.2m.

Fast charging

No more prolonged waiting for your devices to be charged. The X04 cable is equipped with a cable made of pure copper. It supports fast charging and can provide a maximum output current of 5A. This means that with its help you will charge your phone to 80% in just about 30 minutes!

Transfer files in the blink of an eye

The Vipfan X04 cable allows you to charge your devices and transfer files simultaneously. It offers transmission speeds of up to 480Mbps. You no longer have to wait indefinitely for the photos or videos you need to reach their destination! Now you can copy all your important files in no time.

Impressive durability

Bet on the highest quality workmanship. The X04 cable is resistant to bending and pulling, and you don't have to worry about it being broken. What's more, it won't get hot. The product is also equipped with a durable TPE plastic sheath, and its most vulnerable areas have been additionally protected.
