USB to Micro USB cable Vipfan Racing X05, 3A, 1m

Charge your devices quickly and safely. Thanks to its thoughtful design, the cable will instantly charge your equipment and allow you to transfer files. Its length reaches 1m, which increases the comfort of use, and solid workmanship is responsible for resistance to damage.

Fast charging and file transfer

Does it take too long to charge your devices? Choose the Vipfan X05. The cable is compatible with devices with a micro USB port, and thanks to pure copper conductors, it provides fast charging. What's more, you can transfer your files with the speed of 480 Mbps.

Durable

Another advantage of the Vipfan cable is its durable construction. The X05 features conductors made of 100% pure copper, which translates into high performance for the device. What's more, the environmentally friendly PVC plastic finish makes the cable pleasant to the touch. In addition, the product is resistant to bending, and the end of the cable is additionally reinforced.
