Vipfan Colorful X12 USB to USB-C cable, 3A, 1m (white)

The Vipfan Colorful X12 cable features high power output and the use of excellent quality materials. It enables fast charging and data transfer. The X12TC has a USB-C interface and offers a 1m length.

Thoughtful design

The cable offers a high output current of 3 A. The copper core further increases the bandwidth, and the PVC sheath effectively protects the product. The cable is further protected at the joints, increasing bending resistance.
