

Camping lamp Superfire T35, 220lm, USB-C

Camping lamp Superfire T35, 220lm, USB-C

Ref: 6974760351150

Superfire T35 camping lamp

The stylish Superfire T35 camping lamp provides stable lighting that's great for use at home, at an outdoor event or in a tent. The retro-style design is eye-catching, and the two lamps provide both yellow and white light. The model also has the advantage of a long operating time of up to 110 h, IP44 water resistance, a range of 18 m² and 3 lighting modes.

Dual light source

The Superfire T35 camping lamp is equipped with two light sources, so you can enjoy both white and yellow light. Its brightness is 220 lm, and it covers 18 sq m with its range. At your disposal are 3 lighting modes: Yellow strong, White strong and Yellow+White, plus you can adjust the brightness level.

Stylish and reliable

Superfire T35 successfully combines original design and efficient performance. It is powered by a 2000 mAh battery, and its runtime reaches up to 110 h. The practical hook allows you to mount the lamp in many different places, and the built-in USB-C port allows for convenient power renewal. IP44 water resistance and resistance to falls from a height of 1m are also a plus.
