Powerbank Romoss PSP10 10000mAh (black)

Powerbank Romoss PSP10 10000mAh (black)

Lightweight and durable - this is how the PSP10 powerbank can be described in a nutshell. The product weighs just 218 g, and with a capacity of 10,000 mAh, it will allow you to charge your smartphone several times on a single charge. In addition, it is equipped with a USB-C and micro USB port, and the LED display will provide you with charging information.

Fast charging

The powerbank is equipped with a lithium-ion battery, which provides more efficient operation and faster charging of 5V / 2.1A, thereby not damaging the devices being charged. As a result, it will charge the iPhone 8 about 4 times, and the Samsung Galaxy S8 about 2.5 times.

2 built-in ports

Charge 2 devices simultaneously. The Romoss Powerbank has 2 ports: micro USB and USB-C, allowing you to charge 2 devices at the same time. Enjoy the capabilities that the PSP10 offers.

Safe charging

The powerbank is equipped with a number of safety features, making it completely safe to use. Among other things, the device is
