

Powerbank Romoss Simple 10, 10000mAh (white)

Ref: 6958377506806

Powerbank Romoss Simple 10, 10000mAh (white)

Powerbank Romoss Simple 10, 10000mAh (white)

The Romoss Simple 10 Powerbank features a 10000mAh capacity and a small compact design - you can always carry it with you! It is equipped with 2 USB output ports and 3 input ports - Lightning, Micro USB and USB-C. The powerbank is compatible with most popular devices and ensures safe use.

Fast charging

Your device will be ready to go in no time! The powerbank supports fast charging, which will allow you to charge your smartphone faster. Two USB outputs allow you to supply 1A or 2.1A power.

3 available ports

Simple 10 has 3 different input ports built-in - USB-C, micro USB and Lightning. This allows you to connect it to power with the same cable you use to charge your phone.
