ENCHEN Mint 5 sonic toothbrush (green)

The Enchen Mint 5 sonic toothbrush will help you take care of a beautiful and healthy smile. It offers 3 modes to choose from and has a smart timer that keeps an eye on brushing time. The Mint 5 is also IPX7 water resistant, so you can clean it easily. It works for up to 14 days on a single charge and remembers the last mode used. In addition, it is equipped with a travel lock to prevent accidental activation of the device during transport.

3 modes of operation

Customize the performance of the Mint 5 to suit your needs. The Enchen sonic toothbrush offers 3 modes to choose from, so it will meet different user expectations. Clean cleans teeth thoroughly, while Sensitive is suitable for sensitive teeth and novice users. While the last mode (Gum Health Care) will get rid of stains. What's more, a special indicator with the appropriate color will inform you about the selected mode.

Thoughtful design

The Mint 5 toothbrush is distinguished by its carefully thought-out design, which makes using it simple and convenient. It's IPX7 water resistant, so you can easily clean it, and the travel lock prevents accidental activation of the toothbrush during transport. In addition, the toothbrush remembers which mode you last used and will remind you every 30 seconds to change the cleaned area.

Up to 14 days on a single charge

The Enchen Mint 5 has a 600 mAh battery that provides up to 14 days of use on a single charge - if you use the toothbrush twice a day for 2 minutes. What's more, the kit comes with a USB-C charging cable, with which you will renew the device's energy. After about 2 hours, the product will be ready for further use.
