Tablet holder PGYTECH for DJI RC-N1 controller (P-GM-145)

PGYTECH Tablet Holder for DJI RC-N1 controller (P-GM-145)

The mount is designed for tablets and smartphones with a width of 117-240 mm. It also allows you to mount the DJI control camera. In addition, the manufacture of high-quality materials translates into durability and resistance of the product to damage, and the lightweight design increases the comfort of use.

### Robust design

The mount is made of durable ABS plastic, which ensures its durability. The non-slip finish provides stability and security for your device, so you don't have to worry about damaging your smartphone or tablet. Thanks to a special screw, assembly and disassembly will not cause you any problems and will take just a moment. The foldable design means you can successfully store it in your backpack.

### Wide compatibility

The P-GM-145 works with smartphones and tablets with a width of 117-140 mm. So it will fit devices such as the iPad Air/Pro/Mini, Samsung Galaxy Tab S4, Huawei MatePad or Xiaomi Mi Pad 4 Plus. What's more, you can adjust its position 360° for even more convenience.
