Ref: 5905316140073

Controller Protector & Sunhood 2 in 1 Sunnylife for DJI RC (MM3-YK466)

Sunnylife 2in1 controller cover for DJI RC

The Sunnylife 2-in-1 controller cover will make it easier for you to use your DJI RC controller. It provides protection from bumps or scratches and acts as a sunshade. Bet on functionality that will further protect your equipment!

Thoughtful design

The cover is designed to allow you to protect your controller at all times - without removing it. Thus, you can place your device along with it in the Sunnylife AQX-1 protective case or controller bag. What's more, the product can be locked in 2 different positions - ensuring you have a clear view of the screen in sunny weather.
