

Intelligent self-cleaning cat litterbox HHOLove iPet

Intelligent self-cleaning cat litterbox HHOLove iPet

Ref: 6975692070041

HHOLove iPet intelligent self-cleaning cat litter box.

Forget about the unpleasant duty, cleaning up after your pet. The intelligent litter box by HHOLove iPet will clean itself. It will ensure the complete safety of your pet and is equipped with a large waste tank, which has a capacity of up to 6 liters. You can also pair the device with a dedicated one to control it remotely, receive useful notifications and gain access to reports on your pet's habits and health.

Dedicated app

Open yourself to new possibilities with the app. It allows you to control the litter box with your smartphone or tablet. With its help you can check reports or monitor the temperature. The app records litter data and supports the removal algorithm. You can also pause self-cleaning so that no sounds distract you.

Large capacity and fast cleaning

The device allows for efficient cleaning, which, if you have multiple pets, means that none have to wait too long for their turn. The dirt tank has a capacity of 6 liters, which means you only need to empty it once a week. With the click of a button, you empty the litter box, or sift through the feces. The HHOLove iPet litter box supports multiple litter materials.
