ESR Classic Hybrid Magsafe transparent case for iPhone 13 Pro Max

Equip your iPhone 13 Pro Max with a practical case that helps protect your smartphone. The ESR Classic Hybrid Magsafe model is distinguished by its corner-reinforced, transparent design and compatibility with MagSafe accessories. Bet on convenience and functionality - no compromises!

Thoughtful design

The case will perfectly protect your smartphone - even in case of falls. Its reinforced design on the corners reduces the risk of damage, and the scratch-resistant coating allows you to maintain an aesthetic appearance for a long time. What's more, the installed magnets support compatibility with the MagSafe charger and wallet or HaloLock car mount.
