Nillkin Qin Leather Pro case for SAMSUNG Z Flip 4 5G (black)

Keep your smartphone safe and secure and equip yourself with the Nillkin Qin Leather Pro case made of vegan leather. The product perfectly fits the foldable design of the Samsung Z Flip 4 5G and protects it from scratches or drop damage. The elastic band makes the case unfold in a smooth way, further extending its life. A stand is also a plus, which comes in handy when watching video.

Thoughtful design

The case is equipped with a magnetic stand, which makes it possible for you to place the phone at an angle and watch your favorite TV series or match broadcast in a comfortable way. Importantly, when folded, the holder fits tightly to the case and does not interfere with the daily use of the phone. Another advantage is the low weight and the possibility of wireless charging in the case.
