

Wall charger LDNIO A2202, 2x USB, 12W (white)

Wall charger LDNIO A2202, 2x USB, 12W (white)

Ref: 6933138622025

LDNIO A2202 wall charger

Charge up to 2 devices simultaneously. The LDNIO A2202 charger is equipped with 2 USB ports and features a 2.4A output current. It provides fast charging with 12W of power and is compact enough to keep on hand at all times. It also ensures safe use.

Fast charging

You no longer have to wait too long for your devices to be ready to use again. The A2202 charger provides fast charging with 12W of power and 2.4A of current. What's more, it intelligently detects connected devices and adjusts its operation to restore their power in the shortest possible time.

2 USB ports

Don't wait for one device to charge before plugging in another. The charger is equipped with 2 USB ports, so you can connect 2 devices to it at the same time. Now you can charge, for example, your phone and tablet at the same time!

Safety of use

Among other things, the charger has been protected against short-circuit and overvoltage, which ensures greater safety of use. In addition, aluminum and copper components guarantee efficient heat dissipation, which translates into longer product life.

Will prove itself while traveling

Thanks to its lightweight and compact design, the A2202 charger can accompany you almost anywhere - at work, at university or on vacation. The device is also compatible with 100-240V, which means that it will also work perfectly abroad.
