Ref: 6933138636312

Power strip with 3 AC sockets, 6x USB, LDNIO SE3631, 1.6m (black)

Power strip with mains charger with 3 AC outlets, 6x USB, LDNIO SE3631, 1.6m (black)

LDNIO SE3631 stands out for its thoughtful design, so you can use it safely and comfortably. It has 3 grounded AC outlets and 6 USB ports. This allows it to power devices such as a TV, laptop or speakers and charge a smartphone, tablet or powerbank. It is equipped with safety features and made of fire-resistant material, so you can use it safely.

Convenience of use

With the LDNIO SE3631 you can both power and charge your devices. AC outlets will allow you to connect equipment such as, for example, your refrigerator and speakers to a power source. While USB ports will allow you to charge your smartphone or headphones.

Security

The product has safety features that make it completely safe to use. It provides protection against short circuit, interference and electromagnetic field. What's more, it's made of fire-resistant ABS material and adjusts the voltage to the connected device. So you can be sure that your equipment is safe and resistant to damage.
