Wall charger LDNIO A3310Q, 3x USB, QC 3.0 (white)

Ref: 6933138690628

#### LDNIO A3310Q wall charger

Maximum power of 30W, wide compatibility and 3 available USB ports - these are just some of the advantages of the LDNIO A3310Q charger. The product allows you to connect up to 3 devices at the same time and supports QC3.0 fast charging. At the same time, it ensures the safety of use and is extremely durable.

#### Ability to charge up to 3 devices simultaneously

Now you can charge up to 3 devices simultaneously in a short time. The charger is equipped with 3 USB ports - with its help you can easily restore power to 3 devices, occupying only one outlet! What's more, the product is compatible with most tablets and smartphones of well-known brands.

#### Enjoy fast charging

The A3310Q charger offers a total output power of 30W, it also supports the QC3.0 18W fast charging standard (on one of the ports) and intelligently distributes the amperage to ensure the highest possible performance. Turbo Power Engine technology is also available, so that the product automatically adjusts its performance according to the requirements of the connected device.

#### Bet on the highest quality

Get yourself a charger that will serve you well for years to come. The A3310Q is made of durable, long-lasting PC material, and thanks to an effective cooling system it efficiently dissipates heat - it won't overheat. It is also in no danger of damage. Among other things, the charger is also equipped with overcurrent, short circuit, overcharging and overvoltage protection.

You will use it on vacation

Are you looking for a charger that will be useful not only at home, but also, for example, on vacation or at work? Model A3310Q will be a great choice! Lightweight and compact - it fits perfectly in your bag or backpack. At the same time, the device is compatible with 100-240V, which allows you to use it in many countries around the world without any problems.
