

Adjustable Wrench with Plastic Handler Deli Tools EDL30108,
Adjustable Wrench with Plastic Handler Deli Tools EDL30108, 8" (silver)

Ref: 6974173015236

Deli Tools Adjustable Wrench EDL30108

Made of high-quality carbon steel, the Deli brand adjustable wrench allows you to work with various screw sizes. Its length is 200 mm, and the adjustment range reaches a maximum of 28 mm. The tool has a laser-engraved scale that makes it easy to read, moreover, the dial provides convenient adjustment of the jaw span. It also features an ergonomic TPR handle and a chrome-plated surface that resists rust and looks extremely elegant.
