

Gaming monitor stand DLT01

Gaming monitor stand DLT01

Ref: 4710343794417

Darkflash DLT01 monitor stand

The Darkflash DLT01 stand will allow you to place your monitor at the optimal height. As a result, you can enjoy more comfortable use. You can also adjust its length. The product also has pull-out shelves. The maximum load of the stand is as much as 25kg, so you can put the monitor of your choice on it without worry.

Created for your convenience

Thanks to the adjustable design, you can adjust the length of the stand in the range of 420 / 470 / 520mm. What's more, the product has pull-out shelves on which you can place your phone or tablet. This will make it easier for you to take notes, for example. On the other hand, you can place your keyboard and mouse under the monitor, so you can easily keep your desk in order.
