Gaming Keyboard Delux K9852 RGB

Ref: 6938820413981

Delux Membrane Keyboard K9852

Delux K9852 membrane keyboard will not only make your computer work easier, but also decorate your desk. It is equipped with 104 durable keys and features colorful RGB backlighting. It is compatible with various versions of Windows and provides comfort of use.

Reliable work

Do you work at your computer every day? Or do you often play games? The Delux K9852 keyboard will prove itself in almost every situation! The device is equipped with 104 keys that provide smooth, reliable operation. Their life span reaches 15 million clicks - they will serve you well for a long time.

Comfort of use

Enjoy greater comfort while working at the computer. The keyboard is distinguished by its ergonomic design, so you can forget about discomfort or fatigue. The device is also equipped with a special wrist rest. All this makes it really pleasant to use!

Wide compatibility

Compatibility problems are a thing of the past. The K9852 keyboard works perfectly with Windows 7, Windows 8 and Windows 10. To use it, all you need to do is plug it into your computer's USB port. The length of its cable is 1.5 meters - enough to enjoy freedom.

Original design

Do you like modern gaming devices? The K9852 keyboard will also appeal to you! The device is equipped with colorful RGB backlighting, which gives it a stylish, original character. As a result, it can decorate your desk in an interesting way.
