

Electric Sonic Facial Cleansing Brush inFace CF-12E (pink)

Ref: 6971308400936

Electric Sonic Facial Cleansing Brush inFace CF-12E (pink)

InFace CF-12E sonic face brush (pink).

Take care of a thorough cleansing of your facial skin. The inFace toothbrush uses ultrasonic vibrations, the frequency of which you can adjust in 3 levels. What's more, you'll find 2 tips in the set, and the durable battery allows for about 10 days of use. The CF-12E is also water resistant (IPX7), and an acrylic cover protects the head from getting dirt. In addition, the inFace toothbrush catches the eye with its stylish design.

Effective cleansing

Using ultrasonic vibrations, the inFace toothbrush effectively removes impurities, cleans pores, reduces sebum secretion and makes it easier to get rid of dead skin. What's more, you can adjust its speed at 3 levels: 28 Hz / 48 Hz / 68 Hz. The head rotates left and right, and will automatically turn off after 90 seconds to prevent damage to the epidermis.

2 heads included

The kit comes with 2 tips, so there's something for everyone. The PBT bristles of the gentle brush are soft and won't irritate the skin, while thoroughly removing impurities. It will be perfect for sensitive skin. While the standard tip will be suitable for daily cleansing.

Convenient and safe storage

The toothbrush is distinguished by its well-thought-out design, so you can conveniently and safely store it. The vertical design will make it easy to dry the tip, and the included acrylic cover prevents dirt from getting into the head. In addition, you do not have to wait for the head to dry - the cover protects not only from dust, but also from mold.

Up to 10 days on a single charge

The inFace CF-12E sonic toothbrush is equipped with a long-lasting battery that provides up to 10 days of use on a single charge. What's more, you'll renew its power in about 90 minutes with the included USB-C cable.
