Wall charger Mcdodo CH-7170 PD 20W 2xUSB + USB-C (black)

Mcdodo CH-7170 PD 20W 2xUSB + USB-C mains charger (black)

Ensure fast and safe charging of your devices. The Mcdodo CH-7170 charger provides fast charging and features PD 20W output power. It features two ports and a digital display - all for your convenience!

Fast charging

The product supports charging with 20 watts of power. It supports fast charging for brands such as; Apple, Huawei, Samsung, Xiaomi, OPPO, and Vivo. With its help you will charge your Iphone 12 Pro Max/12 Pro/ 12 mini up to 60% in just 30 minutes. That's not all! The device is equipped with a smart display - it alternately displays current and voltage.

Wide compatibility

The charger features wide compatibility. It will power all equipment with a USB-C interface, including Macbook and tablet. It is compatible with iPhones, as well as Xiaomi, Samsung and Huawei smartphones, among others. Charge up to two devices simultaneously while saving on time!

Safety of use

You don't have to worry about the safety of the charger or the equipment connected to it. The product offers effective protection against short circuit, overvoltage and overcurrent, among others.

Compact design

The Mcdodo charger is extremely lightweight - it weighs just 56 grams. It also features a compact size. Take it with you wherever you need - it doesn't take up much space in your backpack, purse or even pocket! What's more, the device is compatible with AC voltage 100-240 V. This means that it will be perfect, for any travels!
