

## Angle USB Lightning Cable Mcdodo CA-4674 LED, 0.5m (Black)

Ref: 6921002646741

Angle USB Lightning Cable Mcdodo CA-4674 LED, 0.5m (Black)

Mcdodo CA-4674 LED angle USB to Lightning cable, 0.5m (black)

The Mcdodo CA-4674 LED angle USB to Lightning cable is made of nylon and is 0.5m long. The product allows you to charge Apple devices (iPhone, iPad, iPod) and synchronize data. The cable features high durability and has passed load tests. The product is fully safe - it controls temperature and protects devices from overheating and overcharging.

Ideal for gamers

The product is very flexible, ergonomic and bends 90° for comfortable use. It will be perfect for gamers! The cable also has an innovative design thanks to LED backlighting. There are two LED backlighting modes - day and night, which differ in brightness level and light intensity.

Included:
