

USB to USB-C Mcdodo Magnificence CA-7960 LED cable, 1m (black)

Ref: 6921002679602

USB to USB-C Mcdodo Magnificence CA-7960 LED cable, 1m (black)

Mcdodo Magnificence CA-7960 LED USB to USB-C cable, 1m (black)

The USB to USB-C Mcdodo Magnificence CA-7960 LED cable with a length of 1m is compatible with Xiaomi and Android models, among others. The maximum current is 3A. The cable is used for device charging and data synchronization. It supports QC 4.0 fast charging technology. The product provides stable transmission and is distinguished by above-average durability.

LED backlighting

When the cable is connected to your device, the connector illuminates in green. This makes it easy to track your phone even in the dark! The head of the cable is also illuminated. The CA-7960 is made of nylon, and the aluminum finishes are a guarantee of its durability. The product successfully passed load tests and a 10-kilogram stretch test.
