

USB-C to USB-C Mcdodo Firefox 100W cable, 2m (black)

Ref: 6921002683234

USB-C to USB-C Mcdodo Firefox 100W cable, 2m (black)

Mcdodo Firefox 100W USB-C to USB-C cable, 2m (black)

Instantly charge your devices and transfer files! The Mcdodo Firefox USB-C to USB-C cable supports PD 100W, FCP and QC 4.0 fast charging standards, and the angled plug allows you to conveniently use your phone while charging. The built-in smart E-Marker chip guarantees a high level of security. High-quality materials ensure extraordinary durability and resistance to minor damage to the cable.

Fast charging

Don't wait indefinitely for your phone to charge! The cable supports 30W Power Delivery fast charging, so you'll charge your iPad Pro to full in as little as 2.4 hours or your MacBook Pro in about 2 hours. What's more, it also supports fast charging in FCP or QC 4.0 standards, with just 57 minutes to 100% charge a Xiaomi 10 or 90 minutes to power a Huawei P40 Pro.

Thoughtful design

The Firefox cable has extra reinforcements at the connection to the plug to prevent breakage. The specially designed plug at a 90° angle provides the highest level of comfort when using the phone while charging it. In addition, the cable is equipped with gold-plated plugs that hold it stably in the port. The cable is fully compatible with many devices available on the market equipped with USB-C ports.

With its help you can easily charge not only a Huawei, Honor or Xiaomi phone, but also an iPad, MacBook, Lenovo, HP or Dell laptop.

Full protection

The cable is made of high-quality materials that are resistant to minor mechanical damage, abrasion or abrasion. The nylon braid is characterized by exceptional strength and flexibility. The built-in smart E-Marker chip adjusts the voltage and current to the connected device, while ensuring its effective protection.
