Car charger Joyroom JR-CL13, 2x USB-C PD, 50W (gray)

Joyroom car charger JR-CL13 (gray)

Joyroom's 50W car charger is distinguished by its wide compatibility - you can use it to charge Apple or Samsung smartphones, iPads, wireless headphones or even a Nintendo Switch console. You can use it in most vehicles equipped with a cigarette lighter socket. It is made of high-quality materials that effectively protect your device from overheating. In addition, the charger intelligently manages power and maintains the right temperature during operation.

Fast charging of 2 devices at the same time

The product supports fast charging in Power Delivery 3.0, Quick Charge 3.0, Samsung AFC and Huawei FCP standards. It only takes 30 minutes to charge your Samsung S21 up to 60% or your iPhone 13 Pro up to 58%! What's more, you can easily power 2 devices at the same time - saving you valuable time.
