

Car Grille Holder Joyroom JR-ZS214 with Qi Inductive Charger

Car Grille Holder Joyroom JR-ZS214 with Qi Inductive Charger (Black)

Ref: 6941237193988

Joyroom JR-ZS214 car grille mount with Qi inductive charger (black)

Charge your smartphone quickly and safely while traveling. The Joyroom car mount offers fast Qi charging and automatically opens for added convenience. It is compatible with most grille models and recognizes your smartphone's operating system (Android or iOS).

Fast charging

With 15W, the Joyroom inductive charger will allow you to renew your device's power in no time. The use of copper elements increases the charging speed by 70% and the range of the charger by 45%. In addition, the Huawei Mate 30 Pro will reach 50% in about 30 minutes. In addition, it intelligently detects the smartphone's operating system - depending on whether it is Android or iOS.

Convenient operation

The Joyroom mount is equipped with a button that infrared sensor that detects a nearby device and automatically opens. You can also use the dedicated button on the right side to open the mount and remove your smartphone. In addition, you can use the holder even if you turn off the engine.

User-friendly

The Joyroom JR-ZS214 car mount allows you to adjust the position of your smartphone vertically or horizontally, so you can navigate

comfortably. The silicone finish protects your device from damage, and the clever design allows you to use your smartphone with one hand. In addition, there is no need to remove the case from the smartphone and it is compatible with most models of air vents.
