Air vent electric car holder Acefast D6, magnetic (black)

Acefast D6 Magnetic Car Holder (black)

The Acefast D6 car mount is designed for comfortable and safe use of your smartphone while traveling. It features strong magnets and rotates 360°. What's more, it works with smartphones with screen sizes from 4" to 7", and you won't have any problems installing it.

Prepared for tough conditions

Sharp turns, bumpy roads, speed bumps - these and other obstacles are no problem for D6. The product uses 6 ND52 magnets, ensuring the stability and safety of your equipment. What's more, the improved locking mechanism ensures that the mount holds firmly to the ventilation grille, and you don't have to worry about damaging it.

User-friendly

Acefast D6 car mount fits smartphones of Apple, Samsung, Motorola, LG, TCL, Google, etc. brands. What's more, it works with most models of air vents and rotates 360°, so you can adjust its position to suit your needs. In addition, the well-thought-out design ensures that the product does not block visibility while driving, so you can enjoy a safe trip.
