Bike Holder Joyroom Metal JR-ZS252 for Phones (Black)

Joyroom Metal bike mount JR-ZS252 for phones (black)

The Joyroom bike mount provides stability and security for your smartphone. It rotates 360° and stands out for its wide compatibility. What's more, being made of high-quality materials ensures durability, so you can be sure it will serve you for a long time.

Solid workmanship

The Joyroom mount is made of aluminum alloy, which translates into damage resistance and durability. Meanwhile, the silicone finish is heat-resistant, provides stability and protects your handlebars and smartphone from scratches.

Wide compatibility

You can successfully mount the product on the handlebars of a bicycle or motorcycle. What's more, it fits smartphones whose screen diagonal does not exceed the 4.7-6.5" range. Thus, it is compatible with devices from Apple, Huawei or OPPO brands.

Comfort of use

The mount is designed to provide the utmost comfort. It does not obstruct the charging port, so you can easily renew your smartphone's power during a bike ride. It also allows you to use navigation safely and allows 360° adjustment.
