

Qi induction charger with stand Acefast 15W E14 (gray)

Ref: 6974316281900

Qi induction charger with stand Acefast 15W E14 (gray)

Qi inductive charger with stand Acefast E14 (gray).

Charge your smartphone quickly and conveniently. The Acefast E14 charger will allow you to renew your equipment's power in no time (15W). It also has safety features to ensure safe use. It also allows you to place your smartphone vertically or horizontally, for greater freedom of use.

Convenient charging

Forget about tangled cables! The Acefast E14 charger offers fast inductive charging (15 W max), allowing you to save time. What's more, you can place your smartphone vertically or horizontally on it and watch a new episode of a TV series or your favorite show. What's more, the product meets CE, RoHS, FCC, EAC, Qi, UL62368 requirements and has safety features to protect your smartphone from damage.

Thoughtful design

The Acefast E14 charger is made of ABS and PC materials, making it durable. What's more, the non-slip bottom provides stability and prevents the product from moving around. The LED indicator will let you know the operating status, and the included USB-A to USB-C cable with which you charge the E14. The USB-C port is located on the other side of the charger.
