Car Charger Dudao R6S 3.4A, 2xUSB (red)

Ref: 6970379618080

Dudao R6S 3.4A 2x USB car charger

Going on a trip? Don't let your phone unexpectedly discharge! The Dudao R6S car charger provides a maximum current of 3.4A and is equipped with 2 USB ports. This allows you to charge 2 smartphones at the same time - for example, yours and your passenger's. The product is also extremely durable and resistant to damage.

Efficient performance

Don't wait too long until your phone or tablet is fully operational. The R6S charger offers a maximum current of 3.4A, which translates into high charging efficiency. The product is also characterized by wide compatibility - with its help you can easily charge most smartphones or tablets of well-known brands.

Charging 2 devices simultaneously

The charger is equipped with 2 USB ports, so it allows you to charge 2 devices at the same time. So you can, for example, charge a smartphone and a tablet at the same time, or plug in your phone and a passenger's phone. This is a perfect solution if you are traveling with another person!

Improved design

High-quality aluminum alloy and ABS plastic were used to make the charger. As a result, the device is extremely durable and features a sleek, modern design. The product is also extremely compact - it will not take up much space in your car. In addition, the thoughtful design guarantees its stability - even on bumpy roads.
