

Cable USB to Micro USB Dudao L2M 5A 1m (white)

Ref: 6970379613856

Cable USB to Micro USB Dudao L2M 5A 1m (white)

Dudao L2M 5A USB to Micro USB cable, 1m (white)

Charge your device and transfer data at the same time! The 1m long Dudao USB/Micro USB cable is compatible with devices equipped with a Micro USB port. The product is suitable for 5 A current. The cable supports fast charging technology and provides instant data transfer. L2M is extremely robust. The reinforcement of the connection between the plug and the cable ensures a long life for the product, which has passed 20,000 durability tests, so you don't have to worry about the cable getting damaged quickly.
