

USB to USB-C cable Joyroom S-1030M12 1m (white)

Ref: 6941237169471

USB to USB-C cable Joyroom S-1030M12 1m (white)

Joyroom USB to USB-C cable S-1030M12 (white)

Charge your devices quickly and safely. You'll be helped by the Joyroom S-1030M12 USB to USB-C cable, which renews the power of selected devices with a current of 3 A, and also enables data transfer at 480 Mbps. The cable is distinguished by its sturdy construction and is highly resistant to bending, moreover, the length of 1 m ensures high comfort of use.

Fast charging and data transfer

With this product you will charge your equipment in an extremely short time. The Joyroom S-1030M12 USB to USB-C cable supports fast charging with a current of 3 A, so it renews energy up to 50% faster than other cables. What's more, you can use this product to transfer necessary documents, vacation photos or your favorite music - the data transfer speed is 480 Mbps.

Robust design

Joyroom S-1030M12 is made of high-quality materials, so it is resistant to wear and tear and will serve you for a long time. The reinforced design of the connector is extremely resistant to damage, so you don't have to worry about breaking it when repeatedly inserting and removing the plug. The advantage is also the length of 1 m, which translates into comfort of use.
