

USB Cable for Lightning Dudao L2L 5A, 2m (white)

Ref: 6970379614792

USB Cable for Lightning Dudao L2L 5A, 2m (white)

Dudao L2L 5A USB to Lightning cable, 2m (white)

With the Dudao USB/Lightning cable you can charge your device of choice and transfer data at the same time! The 1m long cable is compatible with devices equipped with a Lightning connector. The product is suitable for 5 A current. The cable supports fast charging technology and provides instant data transfer. L2L is extremely robust. The reinforcement of the connection between the plug and the cable ensures a long life for the product, which has successfully passed 20,000 durability tests, so you don't have to worry about the cable getting damaged quickly.
