Car Gravity Mount for Dashboard Dudao F2S (Black)

Car gravity holder for dashboard

Car gravity holder is made of high-quality materials. It has a practical mount that allows you to install it on the dashboard or windshield. Moreover, it allows you to adjust the length of the arm and the position of the smartphone in 360°. It is compatible with phones with a maximum screen diagonal of 8.0" inches.

Adjust it to your needs

The Dudao F2S mount allows you to rotate the head 360 degrees, so you can freely adjust the right viewing angle to suit your preferences. You can also easily adjust the length of the handle's arm. What's more, it has a practical opening that will allow you to conveniently connect your phone for charging.

Easy installation

The gripper is equipped with a strong suction cup, which will make mounting easy. You can easily mount it on the dashboard or windshield in your car. From now on you will be able to safely use navigation or conveniently receive phone calls.
