

Car charger Dudao R7S 3x USB, QC 3.0, 18W (black)

Ref: 6970379615805

Car charger Dudao R7S 3x USB, QC 3.0, 18W (black)

Dudao R7S 3x USB, QC 3.0, 18W car charger

Going on a road trip? Make it easy to charge the devices you need! The Dudao R7S car charger is equipped with 3 USB ports, allowing you to charge up to 3 equipment at once. It also has a blue LED backlight. It also supports QC3.0 fast charging (on one of the ports).

Fast charging

Are you on the go and your phone is close to draining? Use the R7S charger to charge it in no time! One of the device's ports supports QC3.0 fast charging, so you don't have to wait too long until your equipment is ready to work again. The product can also provide a maximum output power of 18W.

As many as 3 available ports

You no longer have to wonder which device you need most and which would be good to charge first. The charger offers as many as 3 USB ports, so you can connect 3 pieces of equipment to it at the same time - for example, your smartphone, your tablet and your passenger's phone.

Thoughtful design

The charger features a stylish, modern design and compact design - it won't take up much space in your car. It is also equipped with a

blue LED backlight, which makes it easy to use at night - now you can easily locate all ports. The device is also very durable and ensures safe use.
