Folding phone stand

Ensure your comfort while using your phone! Dudao phone stand allows you to conveniently adjust the viewing angle and ensures a stable position of your smartphone. Compact and lightweight design makes it can accompany you almost anywhere. Thoughtful design guarantees safety of use.

Say goodbye to discomfort

You no longer need to hold your phone in your hands all the time while watching a movie or TV series. Place your smartphone on the Dudao stand! It will be perfect for cooking, video calls, remote lessons or work. You can also freely adjust the viewing angle to fit your needs.

Reliable protection

Don't worry about your smartphone slipping off the stand! The F14 is equipped with non-slip features that hold your device stably. In addition, they prevent your phone from scratching. The carefully thought-out design perfectly dissipates heat, so you don't have to worry about your phone overheating.

Have it always at hand

Thanks to the light weight and small size of the stand when folded, you can successfully hide it in a small purse or backpack. You can take it wherever you want and enjoy unparalleled comfort while using your smartphone.
