Choetech USB-C to USB-C cable (black)

The USB-C to USB-C cable from Choetech will be great for device charging and data transfer. It is compatible with devices that have a USB-C port. The maximum current of the cable is 3 A. The data transfer speed reaches 480 Mbps. The Choetech cable is designed for safe and long-lasting use.

Wide compatibility

The Choetech cable is compatible with devices equipped with a USB-C port, including brands such as Apple (2015, 2016, 2017 MacBook 12", MacBook Pro 13", 2018 MacBook Air, Mac Mini, iPad Pro), Google (Google Pixel 3a, 3a XL, 3, 3XL, 2XL, XL, 2, Nexus 5X, 6P2015 Chromebook Pixel), Samsung (Plus, Galaxy Book 12", 10.6 TabPro S 12", S9 Plus, S9, S8 Plus, S8, Note 8), Huawei (MateBook X Pro, Mate 30, Mate 30 Pro, P30, P30 Pro, P20, P20 Pro), as well as Dell, LG, HTC, HP and Nintendo Switch. As you can see - the possibilities don't end there!

Fast charging technology

Using the Choetech cable, you will quickly and safely charge your phone, tablet or laptop thanks to PD's 60 W fast charging technology (20 V / 3 A max). Forget about the long wait until your devices are ready for use again! And that's not the end of the conveniences - data transfer speeds reach up to 480 Mbps! Thanks to the Choetech cable, file transfer will take place smoothly and seamlessly.

Durable and safe

Choetech's product features an unparalleled level of durability. The cable is resistant to bending and resists damage that can be caused by frequent plugging and unplugging. You will use it as much as 5x longer than the average cable!
