Dudao X3B wired in-ear headphones with USB-C plug

Your phone doesn't have a jack socket, but you want to connect headphones to it? Choose the Dudao X3B model, which is equipped with a USB-C plug! The device will provide you with high-quality audio thanks to its 14.2-millimeter drivers, and it has also been equipped with a button for handling phone calls. The headphones are also extremely durable.

High quality sound

Experience how good your favorite songs can sound. Featuring large 14.2mm drivers, the headphones deliver clear, natural sound, excellent harmony and rich detail. Just put them on, turn on the playlist of your choice and enjoy the high audio quality!

Extremely durable

Treat yourself to headphones that will serve you well for a long time. The X3B model stands out for its incredible durability and resistance to wear and tear. What's more, the cable made of TPE material is extremely durable, and its length is 1.2m - enough to give you freedom of movement. The headphones are also incredibly comfortable.
